Dear Ms. Williamson:

I am writing as a follow-up to our letter of January 27, 2000 and your subsequent conversations with Mark Seklecki of the American Hospital Association staff.

I have enclosed according to your request a copy of a messenger company receipt that shows our letter dated January 5, 2000 was received and signed for by the Federal Election Commission on January 6, 2000. A subsequent letter from Mr. John D. Gibson dated January 13, 2000 stated our letter had not been received.

I trust this proof of receipt will allow the Federal Election Commission to permanently delete the January 13, 2000 request letter from the public record.

Thank you for your attention to this matter.

Sincerely,

Al Jackson
Treasurer
American Hospital Association
Political Action Committee
